The sixth annual 5Cacia – 5K for Pancreatic Cancer Research will take place on March 22nd, 2014 at Tail-Great Park and will raise funds and awareness for pancreatic cancer research through the Lustgarten Foundation for Pancreatic Cancer Research.

Event sponsors and supporters are a huge part of the success of this event, so in return we have many positive incentives for our supporters as you'll see detailed throughout this packet. Additionally, we invite each event sponsor to recruit a team of participants from your business or family and friends to take part in this day of "fun raising." The event will have food, music, entertainment, and more for your employees and their families to enjoy!

About the Lustgarten Foundation for Pancreatic Cancer Research

The Lustgarten Foundation's mission is "to advance the scientific and medical research related to the diagnosis, treatment, cure and prevention of pancreatic cancer." The foundation achieves this by increasing funding and support of research, facilitating and enhancing the dialogue among members of the medical and scientific communities about basic and clinical research efforts related to the disease; and by heightening public awareness of pancreatic cancer diagnosis, treatment, and prevention. The foundation provides informational support for pancreatic cancer patients as well as their families and friends who support them through this life threatening disease.

Thank you in advance for your support of 5Cacia and the Lustgarten Foundation for Pancreatic Cancer Research.
